Camping

Friends are most welcome to camp at our designated campsite on our open weekends or events.

We are slowly improving facilities and appreciate your patience, and help, during this process.

Children

Whilst all adults will keep an eye on the children, we ask parents to be mindful of their children's whereabouts and safety at all times.

Please advise your children that fires are only allowed in the designated fireplaces.

Helping

We love that so many Friends offer to help out, AND we want to keep everyone SAFE!

- Please make sure you wear covered footwear, gloves, hats, safety goggles if needed
- ONLY use tools you are familiar with.
- Ask if unsure. Have Fun & be Safe
